

# Mentoring & Job Shadowing Training **for** Female Researchers

Recruitment  
for  
FY 2020  
is open!!

This program supports the “Mentoring and Job Shadowing Training” for female researchers who are highly motivated toward career advancement in academia.

## Support content

### 【On-campus mentor】

Provide a list of mentors, explain the purpose of the project to potential mentors outside the list, etc.

Travel expenses for on-campus mentors from different campuses (up to a limit)

### 【Off-campus mentor】

Mentor's honorarium, travel expenses for training, etc. (both are subject to an upper limit)

## Requirements and eligibility

Female assistant professors, lecturers, and associate professors (including specially appointed faculty members in these positions) belonging to the HU.

\*If the desired mentor is an on-campus researcher, a postdoctoral researcher is also eligible.

## Possible training period

1st June 2020 to 28th February 2021

## Deadline

10 December 2020
